MAJOR TRANSACTION

ACQUISITION OF ALL ISSUED SHARES IN

KUWAIT ENERGY PUBLIC LIMITED COMPANY

BY WAY OF A SCHEME OF ARRANGEMENT

The Transaction

On 23 September 2018, the Purchaser, the Company and the Target entered into the Transaction Agreement, pursuant to which the Purchaser, a wholly-owned subsidiary of the Company, has conditionally agreed to acquire all of the Target Shares by way of the Scheme for a consideration of up to US\$650,857,128.

The Target is incorporated and registered under Jersey law. It is principally an upstream oil and gas company with exploration, appraisal, development and production activities in a number of countries including Iraq, Egypt, Yemen and Oman.

The Transaction is to be implemented by way of a scheme of arrangement under Jersey law; which must be approved by the Requisite Majorities of the Target Shareholders at the Target GM and Court Meeting and sanctioned by the Court.

The Target Board has undertaken to give a unanimous unqualified recommendation to the Target Shareholders to vote in favour of the Scheme at the Court Meeting and in favour of the Target GM Resolutions at the Target GM.

Listing Rules Implications

As one or more of the applicable percentage ratios (as defined under Rule 14.07 of the Listing Rules) in respect of the Transaction exceed 25% but are less than 100%, the Transaction constitutes a major transaction for the Company and is subject to the reporting, announcement and shareholders' approval requirements (meaning a simple majority vote) under Chapter 14 of the Listing Rules.

As at the date of the announcement, the Controlling Shareholders, being a closely allied group of Shareholders, together hold 71.34% of the issued capital of the Company. Accordingly, pursuant to Rule 14.44 of the Listing Rules, written Shareholders' approval may be accepted in lieu of holding a general meeting of the Company to approve the Transaction subject to the conditions set out therein. To the best of the knowledge, information and belief of the Directors having made all reasonable enquiries, no Shareholder has any material interest in the Transaction as at the date of this announcement, and as such, no Shareholder is required to abstain from voting on the resolution(s) to approve the Transaction.

General

A circular containing further details of the Transaction is to be dispatched to the Shareholders in accordance with the requirements applicable to a major transaction under Chapter 14 of the Listing Rules. Pursuant to Rule 14.41(a) of the Listing Rules, the circular should be despatched within 15 business days from the date of this announcement, however, as more time is required to finalise the circular, the Company will apply for a waiver from the strict compliance with Rule 14.41(a). The Company expects to despatch the circular on or about 30 November 2018, subject to clearance by the Stock Exchange. Further announcement(s) about the Transaction will be made by the Company as and when appropriate.

The Transaction is subject to a number of conditions which may or may not be fulfilled. Shareholders and potential investors are reminded to exercise caution when dealing in the Shares.

A. INTRODUCTION

On 23 September 2018, the Purchaser, the Company and the Target entered into the Transaction Agreement, pursuant to which the Purchaser, a wholly-owned subsidiary of the Company, has conditionally agreed to acquire all of the Target Shares by way of the Scheme for a consideration of up to US\$650,857,128.

B. THE TRANSACTION

Date of Transaction Agreement:

23 September 2018

Parties to the Transaction Agreement:

- a) the Purchaser (as purchaser)
- b) the Company (as purchaser's guarantor)
- c) the Target (as target)

To the best of the Directors' knowledge, information and belief and having made all reasonable enquiries, each of the Target and its ultimate beneficial owners are third parties independent of the Company and of connected persons of the Company.

Scheme of Arrangement

The Transaction is to be implemented by way of a scheme of arrangement under Jersey law; which must be approved by the Requisite Majorities of the Target Shareholders at the Target GM and Court Meeting and sanctioned by the Court.

The deposit will be: 1) paid to the Settlement Agent and deducted from the consideration payable by the Purchaser if the Transaction proceeds to Completion; 2) if a break fee becomes payable by the Purchaser, paid to the Target and deducted from the break fee; or 3) refunded to the Purchaser in all other circumstances.

If the Transaction proceeds to Completion, the Purchaser will pay the Settlement Agent (who shall hold all monies on trust) on the Effective Date an amount in cash up to the consideration minus the deposit. The Settlement Agent will then distribute the consideration.

The consideration was determined by the parties after arm's length negotiations with reference to, among other things, the valuation and the financial position of the Target Group, and the due diligence review of the Target Group.

Senior Notes

Subject to Completion, the Purchaser Group will assume the Senior Notes as a consequence of the Transaction while the Target will remain the issuer of the Senior Notes.

Conditions

The Transaction is subject to the satisfaction (or where applicable, waiver) of the following conditions by the Long Stop Date:

- f) No Material Adverse Effect having occurred.
- g) Prior to the Scheme Record Time, all the outstanding amounts due under the Target's convertible loans have been discharged by conversion, rearrangement or a combination thereof (for not more than agreed amounts) without any further liabilities for the Purchaser Group or the Target Group.

Termination Rights and Break Fee

Purchaser termination rights

The Purchaser may terminate the Transaction Agreement and be entitled to a break fee from the Target in the sum of US\$25,000,000 as a result of any of the following:

The Purchaser may terminate the Transaction Agreement and the Target will pay a costs fee to the Purchaser in the sum of US\$4,000,000 as a result of the Scheme not being approved by the Target Shareholders at the Court Meeting or the Target GM Resolutions not being passed by the Target Shareholders at the Target GM.

In addition, the Purchaser may terminate the Transaction Agreement (without being entitled to a break fee) in certain circumstances, including if:

- a) a Material Adverse Effect has occurred that is not cured within 20 business days from the date of notification;
- b) there is a breach of certain fundamental warranties by the Target that is not cured within 20 business days from the date of notification; or
- c) in certain circumstances, there is a breach or breaches of the Target's warranties as the date of the Transaction Agreement, not cured within 20 business days from the date of notification, which in aggregate amount(s) to US\$100,000,000 in losses, or a US\$100,000,000 reduction in the assets of the Target Group or a US\$100,000,000 increase in liabilities of the Target Group.

Target termination rights

The Target may terminate the Transaction Agreement and be entitled to a break fee from the Purchaser in the sum of US\$25,000,000 as a result of any of the following:

- a) a material breach of the Transaction Agreement by the Purchaser;
- b) there having been a ratings downgrade of the Senior Notes as a result of any public disclosure (other than this announcement) made by the Purchaser Group;
- c) Financing Satisfaction Date not having occurred on or before 31 December 2018, or the availability of financing (whether in the form of cash, cash equivalent or financing agreement(s)) to the Purchaser no longer being reasonably certain;
- d) the approval of the Company's shareholders for the Transaction not having been obtained two business days prior to the Court Hearing; or
- e) the deposit of US\$15 million is not paid by the Purchaser into the escrow account or to the Target by no later than the 11th business day after the date of the Transaction Agreement (or such other date as the Target may agree if the deposit has not been

received by that date as a result of disruption of the banking and/or payments system (such agreement not to be unreasonably withheld)).

Automatic termination

The Transaction Agreement will terminate if the Effective Time has not occurred by the Long Stop Date (unless otherwise agreed).

Financing

No later than 31 December 2018, the Purchaser will or will procure that a member of the Purchaser Group will:

- b) obtain cash or cash equivalents (being instruments and deposits that are realisable for cash at the Purchaser's election prior to the Effective Date) on hand,

so that the aggregate amount of financing available to the Purchaser will be (when taken together with the deposit of US\$15 million) US\$651 million (or such lower amount as shall reflect a reduction on a US\$ for US\$ basis following any repayment or prepayment by the Target from time to time in respect of certain loans to the Target from third parties). On or after the date on which such amount of financing is available to the Purchaser, the Purchaser shall be entitled to give written notice to the Target, the date of such notice will be the Financing Satisfaction Date.

Target Non-Solicitation

The Target has undertaken that from the date of the execution of the Transaction Agreement, it will cease any ongoing discussions with any person in relation to, and will not solicit, induce, engage or initiate or otherwise seek to procure, any competing offer for the Target.

Target Board Recommendation

The Target Board has undertaken to give a unanimous unqualified recommendation to the Target Shareholders to vote in favour of the Scheme at the Court Meeting and in favour of the Target GM Resolutions at the Target GM. The Target Board may change its recommendation only if a bona fide unsolicited competing offer is made for the Target and the Target Board determines in good faith it is a Superior Proposal.

Pre-Completion Undertakings

The Target has given certain pre-Completion undertakings under the Transaction Agreement in respect of the Business, including the undertaking to carry on its business in the ordinary course and prevent leakage of value from the Target Group prior to Completion.

Right to Switch to an Offer

The Purchaser currently intends to implement the Transaction by way of the Scheme; however, the Purchaser may at any time before the Financing Satisfaction Date elect to implement the Transaction by way of a general offer in its absolute discretion. Following the Financing Satisfaction Date, the Purchaser may elect to implement the Transaction by way of an offer if:

- a) a third party makes an offer for the issued and to be issued ordinary share capital of the Target;
- b) the Target Board changes, withdraws or modifies its recommendation in favour of the Scheme; or
- c) the Court does not sanction the Scheme at the Court Hearing.

Company's Obligations as Purchaser's Guarantor

The Company has agreed to guarantee the obligations of the Purchaser under the Transaction Agreement and the Scheme.

Target Shareholders' Irrevocable Undertakings

In connection with the Scheme, the Purchaser has obtained irrevocable undertakings from members of the Target Board in respect of their personal holdings of 1,260,094 Target Shares (representing approximately 0.39% of the voting rights in the Target as at the date of this announcement), to vote in favour of the Scheme at the Court Meeting and the Target GM Resolutions at the Target GM, and to vote against any proposal that may reasonably impede or frustrate the consummation of the Transaction (including any competing scheme of arrangement by a third party), provided that such irrevocable undertakings will lapse if the Transaction Agreement is terminated or if the Transaction (whether implemented by way of the Scheme or an offer) does not close or become effective on or by the Long Stop Date.

In connection with the Transaction, the Controlling Shareholders, which together hold 18,754,300,230 Shares (He Fu International Limited as to 10,657,758,250 Shares, United Energy Holdings Limited as to 3,649,088,564 Shares and United Petroleum & Natural Gas Holdings Limited as to 4,447,453,416 Shares), representing approximately 71.34% of the issued share capital of the Company as at the date of this announcement, have provided an irrevocable undertaking to the Target and the Company to provide a written approval pursuant to Rule 14.44 of the Listing Rules, or, if such written approval is not accepted by the Stock Exchange, exercise the voting rights attaching to their Shares to procure the approval of any resolution which is proposed at the general meeting of the Company, in respect of the Transaction, provided that such undertaking will lapse and cease to have any effect if the Transaction Agreement is terminated or if the Transaction (whether implemented by way of the Scheme or an offer) does not close or become effective on or by the Long Stop Date.
